4.0 CHAIRMAN'S ANNUAL REPORT

- 4.1 Chairperson Alex Render presented his report on behalf of the Board of Snooker & Billiards NSW Inc. (SBNSW) for the Financial Year ended 30/06/22 – copy is attached.

Main points highlighted include:

- a) SBNSW bounced back strongly following several years of stand still due to the COVID 19 Pandemic.
 - b) There was great Club support and the Board had a busy year re-establishing key relationships and putting in place new deals with venues to host events in coming years.
 - c) Activity in the 12 months was strong with events returning to key supporting venues and players old and new entering our state events to show strong numbers in participation for NSW.
 - d) We also saw an increase in participation for Women and Juniors at State events and expect this to continue with the establishment of new initiatives.
 - e) There was good collaboration with NSW having a good relationship with the Australian Billiards and Snooker Council (ABSC) and I represent NSW interest on the Board.
 - f) We received great support from the NSW Government with grants and funding. The funding went towards: - Referee, coaching and junior development and purchasing foldaway tables - Purchasing of equipment such as snooker and billiards balls and cleaning machines - Streaming technology including display screens for Blacktown Workers Club - Marketing and promotional material including new logo and branding - Website development including establishment of a Clubs Database, and - Procurement of 100 polo shirts to be utilised for future events.
- 4.2 There were no questions arising.

RESOLVED: *That the Chairman's Annual Report, as read and tabled, be received and adopted (Proposed Peter Tankard and seconded Carlie Tait).*

5.0 FINANCIAL REPORT

- 5.1 The financial statements of account for SBNSW covering the 12-month period ending 30/06/22 (refer attached) were not tabled but copies were later distributed. The Chairperson advised that a copy is also readily available to financial members upon request.
- 5.2 The Chairperson also confirmed that the accounts of SBNSW had been examined, and the correctness of the profit and loss accounts and balance sheets ascertained, by an auditor at the conclusion of the financial year as required in the SBNSW Constitution. SBNSW's usual accountant (Dennis Wong) was utilised for this purpose. Please note that a full audit of SBNSW's financial accounts is not required under the Associations Incorporations Act 2009 (NSW).
- 5.3 Chairperson Alex Render mentioned that last 2 financial years has seen some additional revenue come from NSW Government which was fruitful. A total of \$38,500 plus an additional \$15,000 was received over 2 years and SBNSW were able to spend the full amount. These funds were essential given the drop in revenue for 2 years but also allowed us to invest in areas such as referees, streaming and other technology. Last financial year also saw the expenditure of close to \$15,000 on junior programs which will be a legacy for our development areas.
- 5.4 There were no questions arising.

RESOLVED: *That the financial report, as tabled, be received and adopted. (Proposed David Waller and seconded Peter Quinlivan).*

6.0 DIRECTOR'S HONORARIUMS

- 6.1 The option for payment of an annual honorarium to Board members was again considered as allowed for in the Constitution. It was noted that honorariums were consistent with:
 - a) Legal advice obtained by SBNSW at that time was that honorariums would fall within the terms of the Associations Incorporation Act 2009 (NSW).
 - b) Wording contained within Clause 20.4 of the Constitution that does not preclude the payment of honorariums, as the wording at the start is "except as prescribed in this Constitution", and
 - c) Clause 20.5 clearly deals with payments to members in good faith subject to the conditions in that Clause being met.
- 6.2 It was then proposed that payment of an honorarium to SBNSW Board members was warranted in view of the significant amount of time and responsibility necessary to effectively fulfill their role as Directors during their elected term.
- 6.3 All current Board members then left the room, and the remaining members discussed the matter further. It was proposed and seconded that an amount of \$800 to each Board member was a reasonable recompense in recognition for their valuable contributions. The motion was voted unanimously in favour with no objections.

- 6.4 A further question arose if the financials would cover the cost of honorariums? Alex Render responded yes, noting that we needed to continue to look at other revenue streams over the next 2 years e.g. polo shirts and streaming options.

RESOLVED: *That an honorarium of \$800 is to be paid, as last year, to all existing SBNSW Board members, with payment effective at the close of this AGM. (Proposed Alex Render and seconded Gary Knight).*

- 9.5 As a result of this, there was a Director position that remain unfilled and in terms of the Constitution, these remaining positions will be treated as a casual vacancy. It was mentioned that Mick Sharp may fill this vacancy and this would be confirmed at a later date.
